

SRI 'Ghost' School Reactivation

Reactivated Ghost School

GOAL

Reactivate 100 'ghost' schools. These are abandoned government schools, no longer on the books, with perfectly viable buildings and access to the community. In many cases, local cattle graze on the school grounds.

PROGRESS TO DATE

Two schools have been made functional, giving about 1,000 students the opportunity to get an education. A third school is under reactivation.

SRI METHODOLOGY

- Repair buildings, windows, doors, toilets
- Furnish schools with desks, chairs, and other necessary furniture
- Work with the local government to hire teachers for the school
- Organize the community to proactively care for the school while promoting student attendance

REQUIRED TO COMPLETE THE PROGRAM

98 Ghost Schools

COST PER SCHOOL \$2,300
