

SRI Scholarship & Mentoring Program for Girls

GOAL

To provide scholarships for selected students with high academic achievements in our target villages and to transfer them to more suitable institutions with high academic standing. We also create connections with mentors in the US who can communicate with the students on a regular basis via Skype and other on-line methods.

PROGRESS TO DATE

25 students have been enrolled in our scholarship program with mentor relationships in the US.

SRI METHODOLOGY

- SRI screens potential candidates based on academic standing
- Results of an SRI interview, along with the students background, are provided to potential donors
- If a match is made, a scholarship is provided to the student and the mentoring process begins

REQUIRED TO COMPLETE PROGRAM

The number of students that SRI funds depends on continued donations from our supporters

COST PER STUDENT: \$400 - \$1,200 per year depending on level of studies
