

# SRI Digital Study Hall (DiSH) Program

## GOAL

To overcome the lack of high quality teachers in poor and remote government schools.

## PROGRESS TO DATE

- The DiSH program has been installed in three schools

## SRI METHODOLOGY

- SRI partners with Human Development Foundation (HDF) to implement the program
- LED Displays, Video Players and Stereo Speakers are installed in a classroom
- DVDs with best-in-class teaching sessions are provided to cover required courses

## REQUIRED TO COMPLETE THE PROGRAM

This is an on-going program and the number of DiSH equipped schools depends on continued donations from our supporters

**COST:** \$350 per DiSH classroom
